Pedestrian countdown clock

By Gabby Vargas Leon

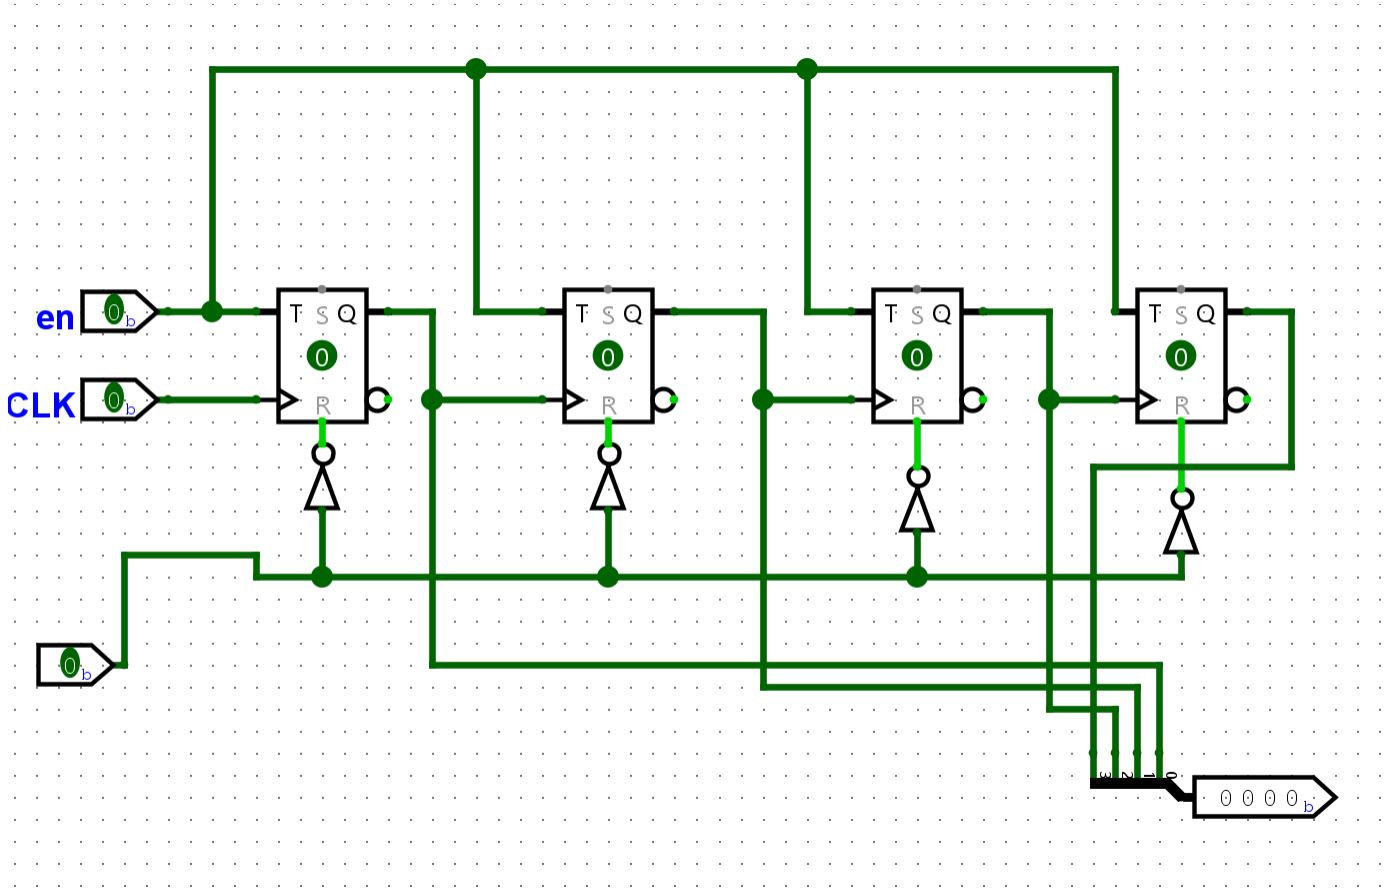

Up counter

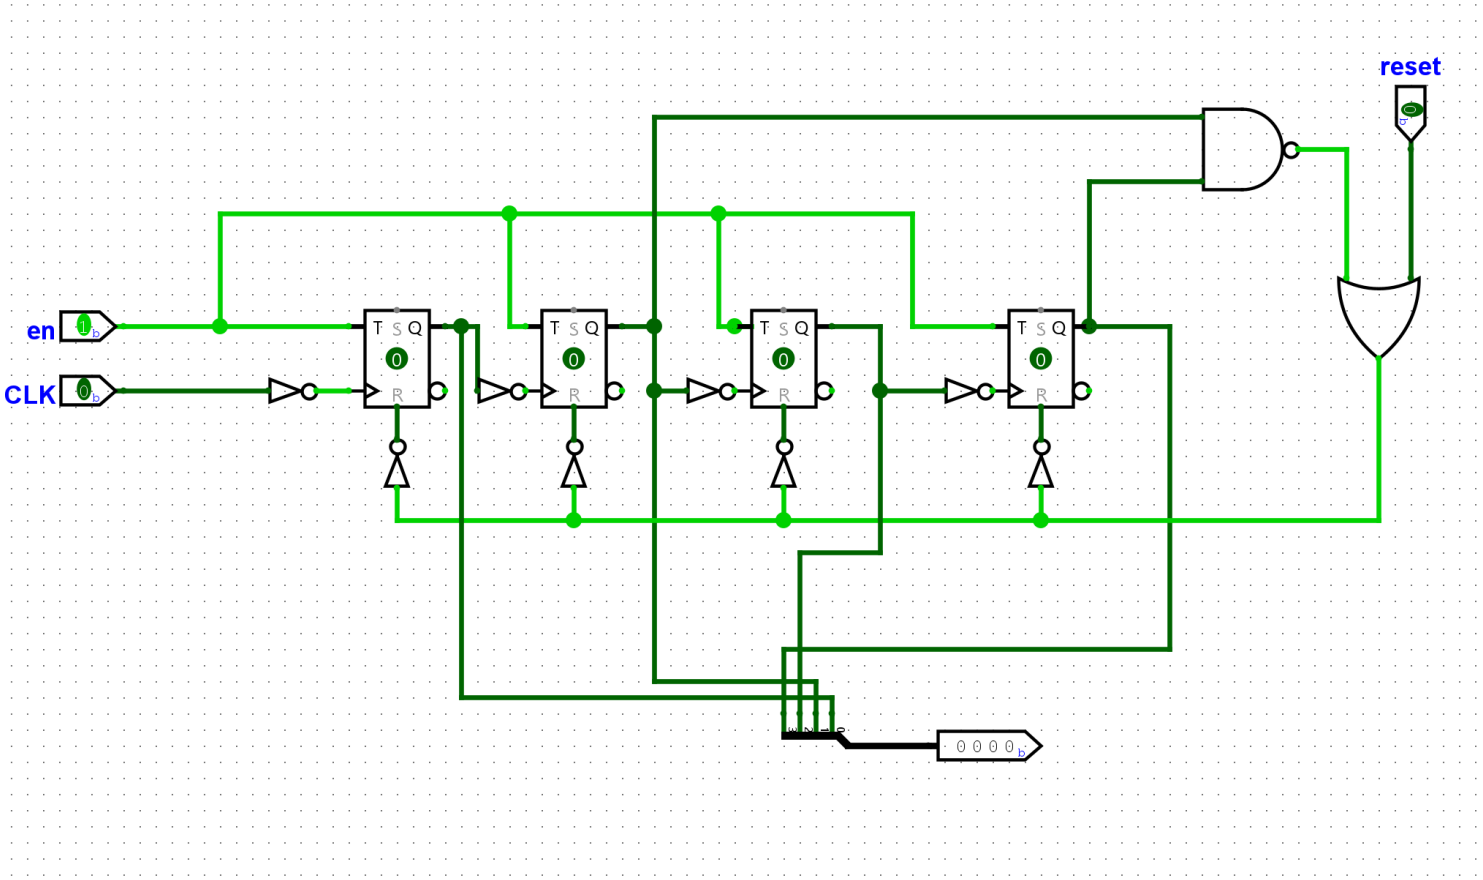

Down counter

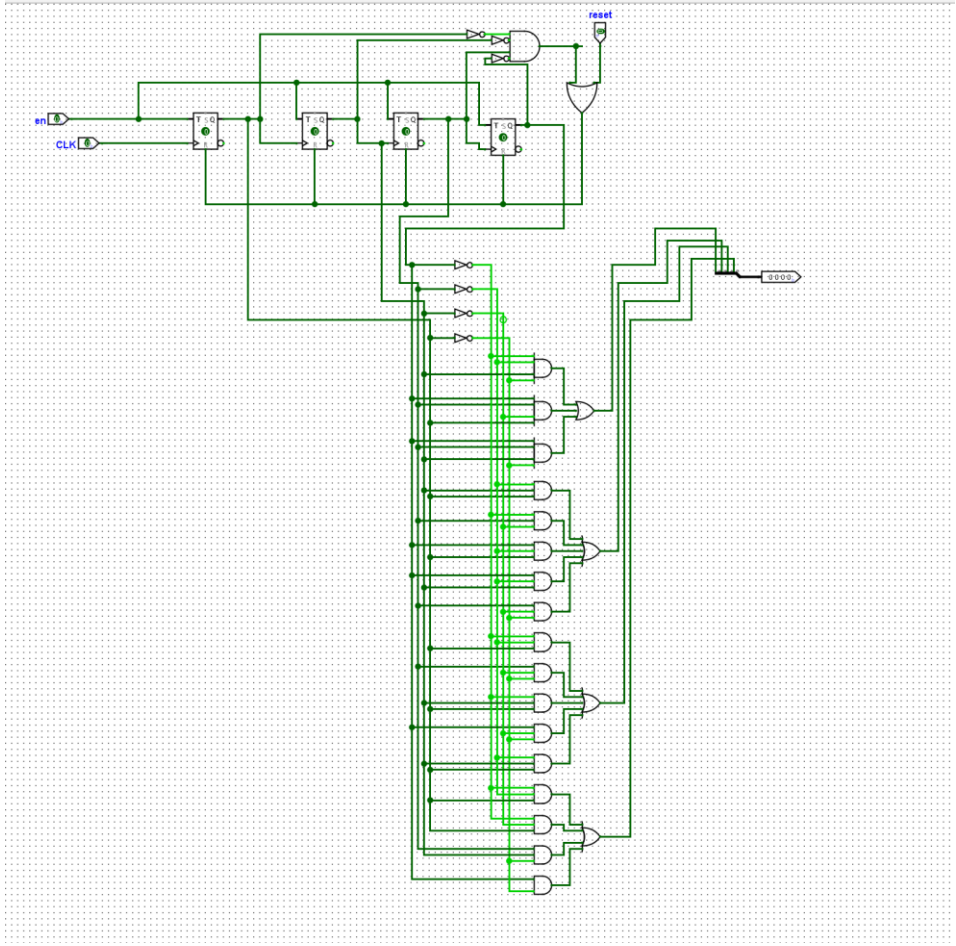

Down counter with reset

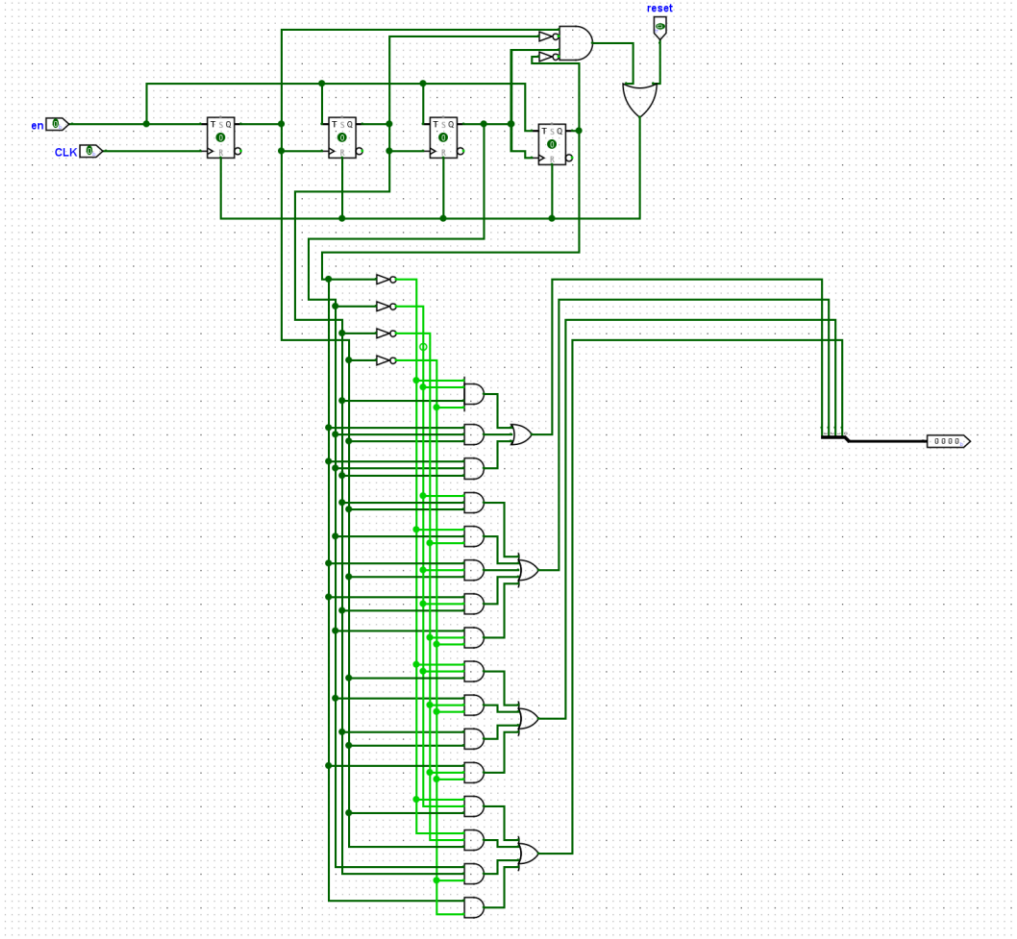

Mod 10 with reset button

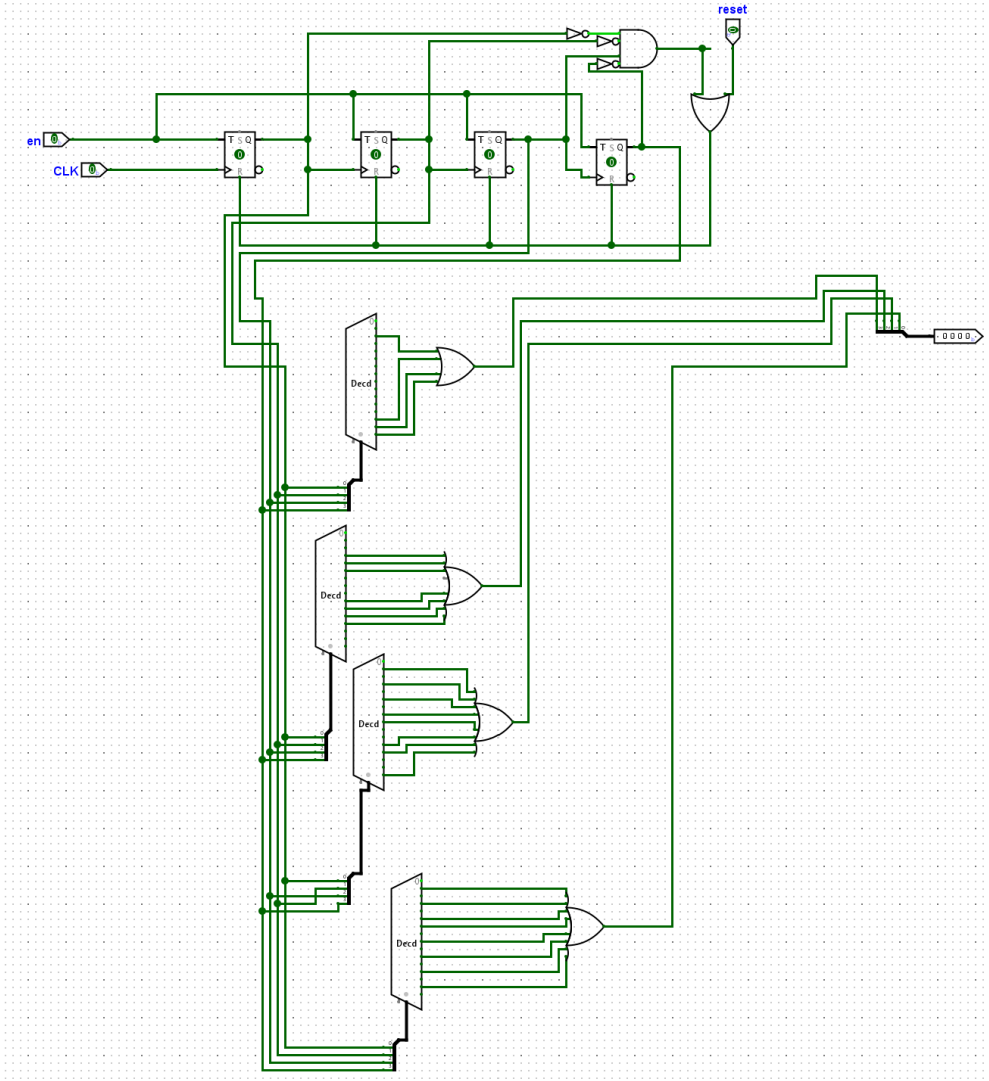

My first attempt to make a count from 9 to 0and reset to 9 with gates

My second attempt to make it count from 10 to 0 then reset back to 10 with gates

My third attempt to make it count from 10 to 0 then reset back to 10 with 4 decoders

My latest attempt to make it count from 10 to 0 and rest back to 10 with 1 decoder with 4 OR gates
